President's Corner

by: Robert Jordan

Hello to all. Seems like a typical spring. I don't mind the rain; just wish the wind didn't have somewhere to go in such a hurry. The warmer weather is on the way.

Hope you were at the Spring Hunt. Floyd Caldwell and Robert Jeffrey won the detectors. There were lots of dimes to be found. Samuell Farm worked out as a great location. The bathrooms were close and clean, and the grass had been mowed recently. The guys planting the coins had no trouble hiding them. We plan on returning to that location. The club is making a donation for the use of the park.

Unfortunately I will be out of town and not at the next meeting. I do hate that I will miss the speaker talk about gold and diamonds. Rechey will chair the meeting.

Remember, we cancelled the July meeting due to its proximity to July 4th. The Golden Triangle Explorers have agreed to host our annual July 4th BBQ. We will meet the 2nd Friday at their meeting hall for food and fun.

Hunt every chance you get, the heat is on the way. Leave the deep ones for me. See you in June.

April Meeting

It seems as though we have at least one new member every meeting lately! Let's keep that up. It is always fun to have new faces and people to get to know. We welcomed several visitors and one new member. Douglas Graves was visiting, as was Mark Ellet. Mark is Jack's son. Our new members are Julie Reiter from Rockwall, and Wade (whose last name I will have next time).

Tina Penney volunteered to be our snack coordinator. Thanks so much, Tina. Let her know when you can help out.

Jack Ellet had 6 long handled shovels made. He wanted to know if there was interest in them, and he would have more made. Most of the ones he brought sold immediately, and a number of people were interested. Talk to Jack if you want more information. He said the cost was \$80.

Several members talked about their experiences at the TCTC Treasure show in Longview this year, and from years past. Ray Walther, Mike Skinner, Paul Wilson, Dennis Brasher, and Ivan Santos shared with us. The overall message was that it is great fun; you meet interesting people and learn more about the hobby each year.

You may recall that several people went with Steve Moore from Garrett to East Texas and found many musket balls. He is asking them to be returned to that they can be donated to the Indian Cultural Museum and the Texas Ranger Museum in Waco.

Earl Drake shared information about his property in Horseshoe Bend to consider for a future hunt.

We did not have an official speaker last month. This month Paul has arranged for a diamond dealer to be our guest speaker. Bring jewelry if you have any questions for him.

Spring Hunt

The Spring Hunt, formerly the Bucks on the Brazos, was held at Samuell Farms on April 25th. As you read in the President's Corner, it went well. It was a little overcast, although pleasant. Due to the possibility of rain, both hunts were combined and held before lunch. There was a good turn out, about 30 members participated. Sorry we don't have pictures, but we hope to see some posted on the web site soon. Robert Jordan got these items donated or for a discounted price from Garrett. They were given for token prizes or will be door prizes. Be sure to tell Robert Jordan thanks if you enjoyed the hunt. We appreciate all he does as president of Lone Star.
